EDUCATION

NUM, MONGOLIA

BACHELOR ENGINEERING

Information technology
Spring 2019 | GPA: 3.1%

CWNU, SOUTH KOREA

MASTER OF COMPUTER SCIENCE

Computer science
March, 2021 - Present

COURSEWORK

Deep Learning UB 2018

UNDERGRADUATE

Data Structures and Algorithms
Operating Systems
Database Management System
Software Design & Engineering
Object Oriented Programming
Linux Programming

CERTIFICATION

Korea Efficiency Association | 2021
Deep learning UB | 2018

SKILLS

PROGRAMMING

JavaScript • Python • PHP
• MatLab

FRAMEWORK

ReactJs • Symphony • Keras

WEB TECHNOLOGIES

HTML • CSS • JavaScript

OS

Windows • Linux
Mac

TOOLS AND TECHNOLOGIES

GitHub

INTEREST

Illustration • Photography • Volleyball

STATEMENT

When I was young I was evolved by software and hardware development. Then I decided to learn about computer science. At the second thought software and hardware, engineering was so promising for my younger self. I studied at the National University of Mongolia and learned what I was passionate about. When I was studying at the National University of Mongolia my whole world and thoughts changed. Then I tried to be a creative thinker and adapted to software development and working with various data structures.

EXPERIENCE

CHANGWON NATIONAL UNIVERSITY | RESEARCH ASSISTANT

Sep 2021 - Present | South Korea

IDENTIFICATION OF SEED COAT SCULPTURES BY DEEP LEARNING

Identified and classified seed coat sculptures using Deep Learning.

DDISH LLC | FRONT-END DEVELOPER

June 2019 - Feb 2021 | Mongolia

CALL CENTER SYSTEM - DEVELOPED BY REACTJS

DDISH LLC | SOFTWARE ENGINEER

June 2019 - Aug 2019 | Mongolia

CALL CENTER OF KPI AUTOMATION MODULE - DEVELOPED BY PHP

SYMPHONY FRAMEWORK

MACHINE LEARNING UB | INTERNSHIP

Summer 2018 | Mongolia

Natural Language Processing - Mongolian WordNet

VOLUNTEER EXPERIENCE - AIESEC

PRESIDENT OF WINTER NATIONAL CONFERENCE | OCT 2017 - JANUARY 2018

NATIONAL PROJECT MANAGER | FROM 2017 TO 2018

VICE PRESIDENT LOGISTIC OF SUMMER NATIONAL CONFERENCE | JUNE MAY - AUG 2017

MEMBER OF INCOMING GOLOBAL VOLUNTEER | JUNE MAY - AUG 2017

ACHIEVEMENTS AND ACTIVITIES

10th international conference on frontiers of information technology applications and tools (FITAT 2017) - Color blind correction of the poster session
